

	DCC general e-mail addresses		what kind of questions by whom would you expect to get on this e-mail address?
1	Erasmus MC	rdmsupport@erasmusmc.nl	internal and external researchers, monitored daily by data stewards, e.g. DMP, data management paragraph. Internal researchers can also use TopDesk for questions.
2	Radboud UMC	rtclinicalstudies@radboudumc.nl	general questions
		datastewardship.im@radboudumc.nl	data management/data stewardship questions
3	UMC Utrecht	datamanagement@umcutrecht.nl	for external parties or when internal researchers don't know whom to contact. NB: questions from internal researchers are answered by data managers in their own division (=first line)
4	Amsterdam UMC	rdm@amsterdamumc.nl	for questions from internal and external researchers and is monitored daily by data management consultants. Questions on e.g. DMP, eCRF design, reuse of EHR data are frequently received.
5	LUMC	RSD@lumc.nl	general questions
		ADM@lumc.nl	for data management/data stewardship questions
6	UMCG	researchsupport@umcg.nl	all research support questions from researchers and PhD's, filtering of questions, which are relayed to the respective department (a.o. DCC for the FAIR/RDMP questions)
7	Maastricht UMC	datahub@maastrichtuniversity.nl	portal DataHub for all sorts of RDM questions: <a href="https://portal.datahubmaastricht.nl/">https://portal.datahubmaastricht.nl/</a>
8	UvA	rdm-support@uva.nl	first line support for researchers of UvA and HvA: responses to ad hoc questions and review of DMPs. Will be replaced by central system. Also second line support for faculty data stewards.
		openaccess@uva.nl	for first and second line questions on licenses, publication agreements, copyright in relation to OA, read & publish agreements, finance, UvA OA policy, Taverne, archiving conditions publishers, OS obligations towards financiers, publication of pre-prints
9	RUG DCC support	dcc@rug.nl	first line questions related to RDM and IT, all registered in Topdesk
	RUG UMC (UMCG)	researchsupport@umcg.nl	first line questions related to RDM and IT, all registered in Topdesk
10	TU Delft	dcc@tudelft.nl	researchers may apply for support for their research projects via the DCC mail address.
11	Leiden University	cds@library.leidenuniv.nl	direct answers and referral
12	Radboud Universiteit	rdmsupport@ubn.ru.nl	for general RDM questions, including Radboud Data Repository. Also used as an entrance by the faculty data stewards for central support.
		ris@ubn.ru.nl	for questions on our RIS (Research Information Services) with RDM relations e.g. DMP tool, depositing at DANS
13	Radboud Universiteit	<a href="https://www.ru.nl/rdm/vm/policy-documents/">https://www.ru.nl/rdm/vm/policy-documents/</a>	every institute has their own data steward, with their own email addresses
14	Wageningen	data@wur.nl	first and second line questions, internally and externally e.g. on data science, RDM: DMP, ownership, data management, documentation, metadata, data & privacy, file formats, storage solutions, organising files and folders, licences, archiving, registering, FAIR data en data stewardship.
15	NWO-I instituten	nwo-i-dcc@cw.nl	second line internally and externally, in case a researcher does not know whom to refer to within their institute they may ask for the right referral
16	EUR	datasteward@eur.nl	general questions
	Fac. ESSB van de EUR	datasteward@essb.eur.nl	
	Fac. ESL van de EUR	datasteward@law.eur.nl	
	Fac. ESHCC van de EUR	datasteward@eshcc.eur.nl	
	Fac. ESHPM van de EUR	datasteward@eshpm.eur.nl	
	Fac. ESPhil van de EUR	datasteward@esphil.eur.nl	
	Fac. ISS van de EUR	datasteward@iss.nl	
	Fac. ESE van de EUR	data@erim.eur.nl	
	Fac. RSM van de EUR	data@rsm.nl	
17	VU	rdm@vu.nl	RDM support desk: 1st and 2nd line on RDM, user support RDM services e.g. Research Drive, 8 out of 9 faculties have their own data steward with their own email addresses
18	Tilburg University	researchdataoffice@uvt.nl	Research Data Office. For questions on data management and research services. Faculties have their own data representatives within their Research Support Teams.
		openaccess@tilburguniversity.edu	questions on OA publications and each faculty has their own address for the Pure contact person
19	UU	info.rdm@uu.nl	general entry first line: questions for researchers, faculties (by RSO's), data specialists on RDM training, tooling, infrastructure, guidance and support. Sommige teams hebben daarnaast eigen functionele mailbox zoals bv de researchengineers, YODA, privacy, security, legal en copyright information office.
20	Maastricht University	rdm-services@maastrichtuniversity.nl	general entry for questions RDM. The general data stewards monitor this mailbox. We have a RDM portal: Research Data Management - RDM - Maastricht University; per faculty <a href="https://library.maastrichtuniversity.nl/research-support/rdm/faculties">https://library.maastrichtuniversity.nl/research-support/rdm/faculties</a>
21	UT	ddc@utwente.nl ; techmed@utwente.nl	ddc@utwente.nl, general entry, in principle first line support is available within the faculties. Techmed is specifically for health related questions
22	TUE	rdmsupport@tue.nl	
		openaccess@tue.nl
